Physical Specification

|               |                        |
|---------------|------------------------|
| Item Group    | 10 Tracks & Magnetic   |
| Family        | Magnetic Linear Lights |
| Order Code    | 42102BL/B/W            |
| Colour        | Black                  |
| Material      | Aluminium              |
| Shape         | Rectangular            |
| Length        | 270mm                  |
| Width         | 37mm                   |
| Height        | 47mm                   |
| Surface Wall  | Yes                    |
| Track mounted | Yes                    |
| Indoor        | Yes                    |
| Adjustable    | No                     |

Electrical Characteristics

|               |                                                                                       |
|---------------|---------------------------------------------------------------------------------------|
| Fitting       |                                                                                       |
| Input Type    | Constant Voltage                                                                      |
| Input Voltage | 48V DC                                                                                |
| Safety Class  |  |
| Power(Watts)  | 22W                                                                                   |
| IP Rating     | IP20                                                                                  |
| Light Source  | LED built in                                                                          |
| LED Type      | SMD 3535                                                                              |
| LED Number    | 10                                                                                    |
